

Women at the Well *Dialogues*
CCA Ongoing formation program

Nov 9, 2018

Dear Sisters,

Your Leadership Team is delighted to officially launch *Women at the Well Dialogues*, CCA's ongoing formation pilot program! The attached communication is from the *Women at the Well Dialogues* Project Team consisting of Sr. Claire Sokol, Elizabeth McCabe, and Sr. Celia Ashton. It includes a link to an introductory video which has more information on the program, as well as a link to the Session1 Registration Form which has been designed for you to complete online.

We ask that you *forward* this email, including the attachment, to each of your community members. Forwarding ensures that the embedded links remain intact. We recognize that every sister may not have access to email. Therefore we are also recommending that you watch the video as a community so that all members will have knowledge about the program. You may also want to print a copy of the letter to post on your bulletin board as a reminder for your sisters to register online.

As you will see, the Project Team has done significant work on the development of the program and we are grateful for their contributions. In addition to the CCA contact persons, we have copied this email to all the prioresses expressly to ask you to support this pilot program and to encourage your entire community to participate.

Future communications regarding Session1 will come directly from the Project Team on behalf of the Leadership Team. *Women at the Well Dialogues* promises to be a wonderful program! We are very excited about it and we hope that many of you will participate with us.

May the Spirit continue to inspire and guide us as we journey together to the fount of Living Water.

United in love and prayers,
BT, Cie, Monika and Roz
